PROFESSIONAL SUMMARY

Recent Bachelor of Science in Information Technology graduate with experience in system testing, requirements validation, and software documentation. Recognized through an award-winning capstone project and equipped with strong analytical, problem-solving, and attention-to-detail skills.

EDUCATION

CAMIGUIN POLYTECHNIC STATE COLLEGE	2022 - 2026
Bachelor of Science in Information Technology	

WORK EXPERIENCE

On-the-job Training	January 2026 – May 2026
Department of Information and Communications Technology (DICT)	Pandan, Camiguin

- Collaborated on technology-related projects, supporting implementation efforts that contributed to timely task completion.
- Maintained project documentation and workflow records, ensuring data accuracy and improving team efficiency.
- Supported project planning and communication activities, facilitating collaboration and enhancing project execution.

PROJECT

Capstone Project: RFID-Based CPSC Student Monitoring System with Automated Photo Capture and Email Notification	2026
--	-------------

Awards: Best Capstone Paper and Best Capstone System

- Performed functionality testing and system validation, identifying and resolving issues to enhance system reliability and accuracy.
- Designed and developed key system features, supporting attendance monitoring and notification processes while ensuring compliance with project requirements.
- Worked closely with team members on development, testing, and documentation efforts, contributing to a project recognized with Best Capstone Paper and Best Capstone System awards.

TRAINING & CERTIFICATIONS

- General Virtual Assistance 2.0: A Paradigm Shift in AI-Powered Interaction - Certificate of Completion | 2026
- DICT Tech-Tuesdays - Certificate of Appreciation | 2026
- DICT Hack for Gov 4 – Certificate of Participation | 2025
- DICT AI Ideas for Impact – Certificate of Participation | 2025
- DICT Reverse Pitching – Certificate of Participation | 2025

TECHNICAL SKILLS

System Testing, Bug Identification, Bug Reporting & Documentation, Requirements Validation, Database Management, MySQL, Data Entry & Data Validation, HTML, CSS, Python, Web Development Fundamentals, System Analysis and Design, Software Documentation, Technical Documentation, Google Workspace
